freek is freek.

freek® is the original colourful carpet for outdoor living, a far-out fix for spaces that need a new dimension. freek® is ideal for decoration of garden, terrace, balcony and patio. Made from ultra-soft but extremely durable fibers that are UV- and water-resistant and oh-so-easy to keep clean, it is the finishing touch to your personal atmosphere that can be left outdoors the year round. See it, feel it, love it.
